CONSTITUTION.

ARTICLE I.

NAME.

The name of this Society shall be THE DISTRICT OF COLUMBIA SOCIETY OF THE SONS OF THE AMERICAN REVOLUTION.

ARTICLE II.

OBJECTS.

The objects of this Society shall be to perpetuate the memory of the men, who, by their services or sacrifices during the war of the American Revolution, achieved the Independence of the American people; to unite and promote fellowship among their descendants; to inspire them and the community at large with a more profound reverence for the principles of the Government founded by our forefathers; to encourage historical research in relation to the American Revolution; to acquire and preserve the records of the individual services of the patriots of the War, as well as documents, relics and landmarks; to mark the scenes of the Revolution by appropriate memorials; to celebrate the anniversaries of the prominent events of the War; to foster true patriotism; to maintain and extend the institutions of American freedom; and to carry on the purposes expressed in the preamble to the Constitution of our country, and the injunctions of Washington in his farewell address to the American people.

ARTICLE III.

MEMBERSHIP.

SECTION I. Any man shall be eligible to membership who, being of the age of twenty-one years or over and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unflinching in his loyalty to

and rendered actual service in the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman or minute-man, in the armed forces of the Continental Congress or of any one of the several Colonies or States; or as a signer of the Declaration of Independence; or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial or Colonial Congress or Legislature; or as a civil officer, either of one of the Colonies or States or of the National Government; or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain. He may be elected a member of this Society, provided, upon due investigation, he shall be found to be acceptable.

SEC. 2. Applications for membership shall be made in duplicate, upon blank forms prescribed by the General Board of Managers of the National Society, and shall in each case set forth the name, occupation and residence of the applicant, his line of descent, and the name, residence and services of his ancestor or ancestors in the Revolution from whom he derives eligibility. The applicant shall make oath that the statements of his application are true, according to the best of his knowledge and belief. His application shall be endorsed by two members of the Society, accompanied by a letter from at least one compatriot, and subject to such other requirements as may be prescribed by the rules or by-laws of the Society.

SEC. 3. Sons of Revolutionary soldiers who are regularly accepted by the Board of Management, upon the recommendation of the proper committees, may be made honorary members of the Society without payment of annual dues.

SEC. 4. Any Senator or Representative, or officer in the civil, military or naval service of the United States, officially residing in Washington, or any officer in the Diplomatic service of the Government of the United States, who is a member in good standing of a State Society of the Sons of the American Revolution, may be elected to honorary membership in this Society.

Members of State Societies, Sons of the American Revolution, may, while residing in the District of Columbia and upon election by the Board of Management, be enrolled as Associate members of this Society.

SEC. 5. Whenever a member in good standing changes his residence to the jurisdiction of another State Society, he shall be entitled, if he so elects, to a certificate of honorable dimission, in order that he may be transferred to said Society; provided that no such certificate shall be given unless all dues and fees are paid, and said membership in this Society shall not cease until membership in the State Society shall be established.

SEC. 6. If for any reason a member resigns or is dropped from the rolls of the Society, the number of his insignia shall be cancelled, and his name shall no longer appear in the year book of the Society.

ARTICLE IV.

SECTION 1. The Officers of the Society shall be a President, a Senior, a Second and a Third Vice-Presidents, a Recording Secretary, a Corresponding Secretary, a Treasurer, a Registrar, an Assistant Registrar, a Historian, a Librarian and a Chaplain, who shall be elected at the annual meeting of the Society, and who shall hold office for one year, or until their successors shall be elected, and who, with fifteen other members, shall constitute the Board of Management; *provided*, that the President and Vice-Presidents shall not be eligible for election for more than two successive terms; and *provided further*, that the term of each of the fifteen members of the Board of Management hereinabove referred to shall be three years from the date of his election, and that the fifteen shall continue, as heretofore, to be arranged in classes of five so that the terms of the five who have completed their three years of service shall expire at each annual meeting, at which their successors shall be elected. Vacancies in the Board of Management shall be filled by the Society for the unexpired term.

SEC. 2. Delegates to the Congress of the Society shall be elected at each annual meeting, in accordance with the requirements of the Constitution of the National Society, who shall hold office till their successors are duly elected and qualified.

SEC. 3. An Executive Committee of five, of which the President of the Society shall be the chairman, may be elected by the Board of Management from their number, who shall, in the interim between the meetings of the Board, transact such business as shall be delegated to it by the Board of Management. Three members shall be a quorum of the Executive Committee.

ARTICLE V.

FEES AND DUES.

SECTION 1. The initiation fee shall be five dollars (\$5.00); the annual dues three dollars (\$3.00); or the payment at one time of fifty dollars (\$50.00) shall constitute a life member with exemption from payment of dues thereafter. Members of the "Sons of the Revolution" who join this Society will be exempt from the payment of an initiation fee, provided they are eligible and acceptable under the constitution of this Society. Young men who are members of the Society of the Children of the American Revolution in the District of Columbia may, on coming of lawful age, be admitted without payment of initiation fee, provided they are similarly eligible and acceptable. When a member is elected after the annual meeting his dues for the remainder of that year shall be at the rate of twenty-five cents per month.

SEC. 2. The annual dues shall be payable in advance on the 22d day of February.

SEC. 3. When the dues of any member shall remain unpaid for nine months, the Treasurer shall give him notice that unless the same be paid within two months thereafter his membership shall cease; and in case such dues are not paid pursuant to such notice, or the default be satisfactorily accounted for to the Board of Management, he shall thereupon cease to be a member. No nomination of a com-patriot for office shall be valid if he shall be found to be in arrears for dues for the current year, and in such case his name shall not appear on the printed ballot provided for by Section 1, Article VIII hereof.

SEC. 4. The receipts each year from initiation fees, life-membership fees, and dues, constituting the aggregate an-

annual resources of the Society, shall be devoted by the Board of Management to the following objects, and no others, viz:

1. Payment of annual dues to the National Society of fifty cents for each active member.

2. Maintenance of a building fund, by the investment of not less than ten per cent. of the aggregate annual resources of the Society in such securities as the Board of Management shall direct.

3. Payment of current expenses.

4. Publication of such documents as may be deemed advisable.

5. Payment of such special expenses as may be authorized by the vote of two-thirds of the Board of Management; but if from the report of the Treasurer at any time, it shall appear to be likely that there will be a balance against the Treasurer at the annual meeting if all the liabilities of the year are met, no appropriation of money shall be made by the Board of Management for any object but the necessary current expenses of the Society while such likelihood shall continue to exist.

SEC. 5. No vote of the Society, whereby any expenditure from the general funds of the Society, or from the building fund, or any borrowing of money, directly or indirectly, on the credit of the Society, shall be caused, shall be passed except at a stated or special meeting of the Society at which at least fifty members shall be present, and two-thirds of those present shall vote in favor thereof, nor until the subject has been previously referred to the Board of Management for recommendation and they shall have reported their opinion thereon, which report shall be made at the stated meeting next after the reference, or at a special meeting called for the purpose.

ARTICLE VI.

THE BOARD OF MANAGEMENT.

The Board of Management shall consist of the President, Vice-Presidents, Recording Secretary, Corresponding Secretary, Treasurer, Registrar, Assistant Registrar, His-

torian, Librarian, Chaplain, *ex officio*, and fifteen members who shall be elected as herein provided.

This Board shall judge of the qualifications of the candidates for admission to the Society and elect the same; and may establish local chapters with such powers as it may deem proper within its jurisdiction not inconsistent with the Constitution of the National Society; and may expel any member, after due notice and impartial trial, who by conduct unbecoming a gentleman, shall render himself unworthy to remain a member, subject to appeal to the Society; and shall have charge of all meetings; shall recommend plans for promoting the objects of the Society; shall digest and prepare business; and shall authorize the disbursement and expenditure of unappropriated money in the treasury for the payment of current expenses; and generally superintend all the interests of the Society and execute all such duties as may be committed to it by the Society. It shall make, through the President, a general report of its transactions at the annual meeting of the Society.

SECTION 1. A regular meeting of the Society shall be held on the first Wednesday in February in each year, at 8 o'clock p. m., for putting in nomination candidates for the offices of President, Vice-Presidents, Recording Secretary, Corresponding Secretary, Treasurer, Registrar, Assistant Registrar, Historian, Librarian and Chaplain, for members of the Board of Management, and for delegates and alternates to the Congress of the National Society, all of whom are to be balloted for at the ensuing annual meeting. At this nominating meeting all nominations shall be made from the floor and not by committee. Such other business as may be properly brought before it may be transacted at this meeting.

SEC. 2. The annual meeting for the election of officers and transaction of business shall be held at noon on the 22d

day of February, the anniversary of the Birth of George Washington, in every year, except when that date shall fall on Sunday, in which case the meeting shall be held on the following day.

SEC. 3. Special meetings may be called by the President or Board of Management at any time for business purposes or for the purpose of celebrating events of the Revolution or other patriotic events, or devising means for the prosecution of patriotic work. SEC. 4. General business may be transacted at any special meeting.

SEC. 5. Thirteen members shall constitute a quorum at all meetings. Ayes and noes shall be called at any meeting of the Society upon the demand of five members.

ARTICLE VIII.

ELECTIONS.

SECTION I. SEC. 2. A compatriot who desires to vote at the annual meeting shall appear in person, between the hours of noon and 1 o'clock p. m., on the day and at the place of such meeting, and deposit with tellers to be appointed by the President for the purpose, one of the printed ballots, on which the names of the several compatriots in whose favor he wishes his ballot counted (to the number permissible in each class) shall be indicated by a cross-mark made by him opposite each of such names, or by new names written by him on the ballot, as he may choose. Voting by proxy, or at the annual meeting on the first ballot by any other method than

by the official ballot, shall not be permitted, and voting for a greater number of names than there are offices to fill in any class is prohibited.

SEC. 3. At 1 o'clock p. m., on the day of the annual meeting, the President shall declare the polls closed, and the tellers shall immediately proceed to the counting of the votes, and shall communicate the result to the President at once on the completion of the same. Where a compatriot's name appears more than once, if elected to a higher office, his votes for the minor office shall not be counted.

SEC. 4. Compatriots who shall receive, respectively, the highest number of votes for the offices of President, Recording Secretary, Corresponding Secretary, Treasurer, Registrar, Assistant Registrar, Historian, Librarian and Chaplain, shall be declared elected. The compatriot receiving the highest number of votes for Vice-President shall be declared elected Senior Vice-President; the one receiving the next highest vote shall be declared elected Second Vice-President, and the one receiving the next highest vote shall be declared elected Third Vice-President.

SEC. 5. Nominees for membership in the Board of Management (to the number of places to be filled) who shall receive the highest number of votes shall be declared elected; those *inter sese* receiving the highest number of votes to be declared elected for the longest terms, those receiving the next highest for the next longest terms, and so on until all the vacancies in the Board are filled.

SEC. 6. Should there be a failure of election in any case or cases, the President shall order a new ballot in such case or cases, and the vote shall be taken and the result announced before adjournment.

SEC. 7. Of the nominees for delegates to the Congress of the National Society, those who receive the highest numbers of votes cast (to the number of delegates authorized) shall be declared elected as delegates, the one receiving the highest number being delegate-at-large; and those receiving the next highest numbers (to the number of alternates authorized) shall be declared elected as alternates.

SEC. 8. Compatriots who shall be declared elected shall

hold office for the terms for which they were elected, or until the qualification of their successors.

SEC. 9. All elections to fill vacancies which it may become necessary to hold at other than the annual meeting shall be by ballot.

ARTICLE IX.

AMENDMENTS.

Amendments to this Constitution or to the By-Laws may be offered at any meeting of the Society, but shall not be acted on until the next meeting. A copy of every proposed amendment shall be sent to each member, with a notice of the meeting at which the same is to be acted on, at least one week prior to said meeting. A vote of two-thirds of those present shall be necessary to the adoption of any amendments.

BY-LAWS.

SECTION I.

ELECTION OF MEMBERS.

Applicants for admission to membership in this Society shall file with the Registrar such applications as are prescribed in Section 2, Article III, of the Constitution, accompanied with the initiation fee of five dollars. These papers shall be referred to the Committee on Eligibility. If found eligible, the papers shall be referred to the Committee on Acceptability, and on approval by said committee forwarded to the Recording Secretary, who shall, before submitting the papers to the Board of Management, publish the names, occupations and addresses of all applicants for membership, properly recommended, as aforesaid, in the notice of meeting of the Society next after receipt of the applications; and final action by the Board of Management shall not be taken until the first regular meeting after the said meeting of the Society. Should it be deemed advisable, during the

recess from May to November, to consider new applications, the President shall direct the Secretary to publish and mail to the compatriots a list of names, occupations and addresses of such new applicants, but no action shall be taken by the Board of Management until a period of at least thirty days shall have elapsed after this list has been mailed. Should objection be made to the acceptability of any applicant or applicants by any member or members of the Society prior to final action by the Board of Management, such application or applications will be referred back to the Committee on Acceptability, with instructions to investigate all charges and report on the same to the Board at the earliest practicable date. The question of acceptability and eligibility being established to the satisfaction of the Board of Management, on proper motion said applicants will be duly elected as members of the Society, and, unless their eligibility be questioned by the Registrar General of the National Society, they shall be entitled to all the privileges of compatriots. Should an application be disapproved, the papers and fee shall be at once returned to the applicant.

SECTION II.

His vouchers shall bear the approval of the President and Secretary of the Society. He shall keep a true account of his receipts and payments, and from time to time shall make report thereof to the Board of Management as it may direct, and at each annual meeting shall render an annual account of the same to the Society, which shall be referred to the Ways and Means Committee for examination and report.

SECTION V.
